

**UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA**

United States of America,

Case No. 23-cr-27 (ECT/TNL)

Plaintiff,

v.

ORDER

Dodzi Kwame Kordorwu,

Defendant.

This matter comes before the Court on the parties' Joint Motion for Continuance of Motion Filing Date and Motion Hearing. ECF No. 23. Defendant also filed a Statement of Facts in Support of Exclusion of Time Under the Speedy Trial Act ("Statement of Facts"). ECF No. 24.

The parties request a 90-day extension of the motions filing date (July 14, 2023) and motions hearing date (August 9, 2023). ECF No. 23 at 1. The parties state that they need additional time to review the extensive discovery present in this case and confer to explore resolution of this matter. *Id.* Further, Defendant contends that he needs additional time to meet with his counsel to discuss his options. *Id.* In his Statement of Facts, Defendant requests that this period of time be excluded from computation under the Speedy Trial Act. ECF No. 24; *see also* ECF No. 23 at 1.

Pursuant to 18 U.S.C. § 3161(h), this Court finds that the ends of justice served by granting a continuance outweigh the best interests of the public and Defendant in a speedy trial, and such continuance is necessary to provide the parties and their counsel reasonable

time necessary for effective preparation and to make efficient use of the parties' resources. Thus, the Court will grant the parties' joint request for a 90-day extension of the motions filing date and motions hearing date.
